THE SANCTUARY SPA AT TRADITION PORT ST. LUCIE, FL

by Linda Rae and Sherry Taylor

UPON ENTERING THE SANCTUARY SPA AT Tradition for the first time, we were instantly transported back to a time where guests reigned supreme and stress was left on the doorstep. Old Mediterranean charm is combined with an inspiring sensory experience as a soft melody plays in the background, and the pleasant scent of aromatherapy warms the heart and calms the mind. A lovely boutique surrounds the front desk where guests may shop for skin care and body products, cuddly spa robes, jewelry, spa music and scented candles. Guests are greeted by name as they are served their favorite gourmet tea. Attention is paid to every detail of the spa experience, from the moment of arrival to departure. The staff is well trained and professional.

Spa beginnings

Seventeen years after giving her first facial as an esthetician, Barbara Marzulli, along with daughter Gina Marzulli-Grothe, opened The Sanctuary Spa at Tradition in December 2005—just in time for Christmas. Since then they have served more than 3,000 clients, offering an assortment of services including anti-aging facials, facial peels, therapeutic massages, organic body wraps, head-to-toe waxing, special event makeup and luxurious manicures and pedicures.
