

Gentle alternative to Botox®

DUO-LIFT

THE ANTI-AGING SOLUTION

With Myoxinol™ as the primary active ingredient, the **Smoothing Cream** and the **Duo-Lift Lifting Serum** slow the appearance of visible aging signs.

This daily treatment used intensively is as effective as most injectable rejuvenating treatments.

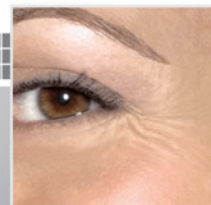

Duo-Lift :

- Reduces muscular contraction
- Generates muscular relaxation for 24 hours
- Slows the appearance of wrinkles and expression lines
- Smooths skin, wrinkles and expression lines
- Stimulates cellular renewal
